Commissioner for Patents

The Examiner has noticed that the prior art reference (US 5,708,410- Blank et al.) first cited in Applicant's Information Disclosure Statement filed April 5, 2005, and subsequently used in Examiner's rejections, was incorrectly cited as US 4,708,410.

Examiner is filing a supplemental PTO-892 List of References Cited, citing the correct document number so that the Blank et al. reference is made of record.
